LIGHT RAIL SHUTDOWN

In planning for Tomorrow's Sydney, we're building a new CBD and South East Light Rail line.

Opening in 2019, it will run from Circular Quay to Central Station via George Street, and on to Kingsford and Randwick via Surry Hills and Moore Park.

Essential work needs to be carried out where the existing light rail line will intersect with the new line. As a result, buses will replace light rail between Central and The Star from 11.30pm 25 December 2016 to 6am 23 January 2017.

DURING THIS TIME

- Buses replace light rail between Central and The Star from 11.30pm Sunday 25 December 2016 until 6am Monday 23 January 2017.
- A select-stop replacement bus service will service Central, Paddy's Market, Convention and The Star.
- If you are travelling to the city, you will need to change at The Star for a replacement bus to continue your trip.
- Light rail services will continue to run as normal between Convention and Dulwich Hill.
- Central light rail stop will also be closed for upgrades from 28 December 2016 to 6am Monday 23 January 2017.
- Replacement buses will depart Central from Eddy Avenue, coach bays 12 and 13.
- Please allow extra travel time.
