Ausgrid planned outage

Saturday 21 August

What we're doing

Transdev Sydney, operators of the Sydney Light Rail, is being impacted by the Ausgrid electrical outage.

This generator has been temporarily installed by Transdev Sydney to continue providing critical power for the safety of the Sydney Light Rail services and infrastructures during Ausgrid's planned outage.

How this affects you

We understand this generator can impact you and your neighbours and would like to thank you for your patience and cooperation in helping us ensure the safety of the community.

The NSW Environment Protection Authority has been notified of these works.
