YOU SAID … WE DID!

At our last Meet Our Managers session in November 2015, you said we need extra services.

In response, our new Managing Director Brian Brennan found a way to provide an extra morning peak service which began the following week.

We hope that this extra service has helped to address customer feedback about overcrowding during our peak periods.

Our next Meet Our Managers sessions will be held on Friday 12 February at Fish Market (11:30am to 1pm), Saturday 13 February at Central (1pm to 2:30pm) and Convention (3:30pm to 5pm).

COURTESY SEATING

Finding a seat on board isn’t always easy, particular at peak times. We have designated courtesy seating marked in each light rail vehicle for older people, pregnant women or people with disability or mobility impaired.

When you do find one, please consider other passengers who may need it more than you.
MARK WALLBRIDGE – SENIOR SAFETY ADVISOR

The Transdev Sydney Health Safety, Environment and Quality (HSEQ) Team is responsible for ensuring we have the correct policies and procedures in place to keep our staff and customers safe at all times. They work hard to resolve any hazards that occur and mitigate risk.

How long have you been with Transdev Sydney?

Started June 15, 2015, so just over six months now.

What’s it like working for Transdev Sydney?

The work is challenging, but rewarding. We are busy with the new light rail project, however our number one priority is ensuring that our current light rail system is safe and reliable.

What is your role?

To foster a positive safety culture at Transdev Sydney and manage risk in our light rail operations.

What do you enjoy about your job?

I work with a great team in a collaborative working environment.

Why does safety mean to you?

Our customers and staff arrive home safe every day.

HOW TO KEEP SAFE ON SYDNEY LIGHT RAIL

• Watch and listen for approaching light rail vehicles
• Use the designated crossings to cross tracks safely
• Hold on where possible to avoid falls
• Move into tram and away from doors to allow others to board
• Ensure you exit by the correct side door opening.
UPCOMING EVENTS

Leave the car at home and take advantage of the Sydney Light Rail to enjoy some of our city’s biggest summer events.

TRANSDEV CARES

We were pleased to present a cheque for $1755 to the Children’s Hospital Foundations Australia. The money was raised as part of a staff fundraising effort in November 2015. This money will help sick kids during their stay at the Sydney Childrens’ Hospital at Randwick.
